THE RUNDOWN ON MEMBERS

Thank you so much both John and Beth Dawlings for their hosting of the Breakfast Run from their home. While numbers were down, those of us who attended, along with some Cool Running people, were treated to a great course and a delicious breakfast.

Congratulations to our Ironman Triathlete, Peter O'Sullivan, who completed the 3.8k swim, 180k cycle and 42.2k run at Port Macquarie in a time just over 13 hours. That is a wonderful time for your first attempt at this incredible event, Peter.

Stephen Browne is suffering from a stress fracture and will be out of running for a while. Also, Kazu will be visiting hospital for a brief stay. We wish both Stephen and Kazu, along with any other injured members, a very speedy return to Woodstock.

Good luck to everyone competing during the next month or so and trust all had a wonderful time in Canberra, with plenty of excellent races.

By the time you read this I shall be travelling around China. The Australian Olympic Committee wouldn't select me on the team so I'm making my own way there. I'll see you all on my return.

Meanwhile, happy running and walking.

NEW RUNDOWN EDITOR NEEDED

This is the last Rundown I will be putting together as editor. Hopefully someone can take over the role from me.

It's not a difficult task for someone with a basic grasp of computers. We have a set of templates for the front page and results pages; these just get filled in with the info that comes in during the month. The Rundown could be made to look a lot better though if you have an interest in graphic design / layout and willing to try out some ideas. The ad pages are pre-prepared. Typically there will be a page or two of info about up coming events (handicaps, breakfast runs, etc). These are collected, and then assembled to a single file in Acrobat (software provided). Email the file out, stuff and post the paper copies (Colin can print and provide you with the labels).

Let me know if you can help out – I can give assistance for the first edition or two.

Thanks.

Alex

SMH Half Internal Teams

Once again we will be organising an internal teams competition for members running the SMH Half. It is free to enter and the members of the winning team will receive prizes. All you have to do is let me know your estimated time for the half. I will then group people together into teams and the teams that runs closest to its estimate is the winner.

I will be collecting times on Tuesdays (and will also make a point of coming to a Saturday run or two nearer the event) to collect times. Alternatively, feel free to send me your times at dawlings@hotmail.com or on 0422 819 468 (work) or 9810-7619 (home).

The rules are as follows:

- The absolute difference between the estimated time of each runner and the actual time of that runner is calculated.
- The differences of the team members will be added to get the total.
- The total is divided by the number of runners in the team to get the average.
- The team with the lowest average is the winner.
 - For instance, if all 4 members of a team estimate a time of 100 minutes and they run 95, 106, 97 and 90, the average difference for the team is (5 + 6 + 3 + 10) / 4 = 6 minutes.
- People not finishing (or even starting) the run or not members of Woodstock Runners or not wearing a Woodstock singlet are not eligible for prizes nor will their times be counted.
- The 'timing chip' time is used in events where there is a timing chip in preference to the 'gun' time.

Regards,

lohn
